Dear valued friends and clients,

I would like to personally thank you for choosing and entrusting Bonds Alarm as your Security and Fire Alarm provider for over 60 years. It is with great care I have chosen to transition your service to another family owned alarm business, Bay Alarm Company.

Family owned and operated since 1946, Bay Alarm is well known for its focus on customer services and satisfaction. Over 70 years of solid security business experience have made them the biggest privately held security company in the U.S., with the ability to provide personal service while delivering the latest in security technology that smaller companies can't deliver.

In a few days, you will receive a letter from Bay Alarm introducing themselves. If you have any questions, please do not hesitate to call them at 1-800-610-1000. You can also call this number for any service issues going forward.

Thank you for entrusting me with your security for so many years. As we move forward, I have every confidence that I am leaving you in good hands.

Sincerely Yours,
