Dear Valued Clients,

We would like to personally thank you for having chosen and entrusted **Evergreen Security, Inc.** to be your Security and Fire Alarm provider. We take great pride in the service we have provided to all of our clients for over 36 years, and it is with mixed feelings that we write this letter to inform you of our upcoming retirement.

Rest assured that as we step away from Evergreen Security we have taken great care to ensure your service is transitioned to another family owned alarm business, **Bay Alarm Company**. Locally operated since 1946, Bay Alarm is, like our company, well known for its focus on customer service and satisfaction. With over 70 years of solid security business experience, Bay Alarm has established themselves as the trusted security advisors to the communities that they serve, delivering the same personal service you have received from our company while also continuing to deliver the latest in security technology.

In a few days, you will receive a letter from Bay Alarm introducing themselves. If you have any questions, please do not hesitate to call them at 1-800-610-1000 or visit them at www.bayalarm.com/evergreen. You can also call this number for any service issues going forward.

Thank you for entrusting us with your security for so many years. As we move forward, we have every confidence that we are leaving you in good hands.

Sincerely,

William A. Murray
President, CEO
